

# dramatic. bold. durable.

Wayne Dalton's Model 9510 features tall section heights, large windows and a full-section embossment design for a dramatic look on a premium garage door.

Choose from two panel styles and eight painted finishes.

*Vicksburg panel, TruChoice® Custom finish, Plain Window Square, Decorative hardware*

## PERFORMANCE FEATURES

### Insulation

Model 9510 comes with foamed-in-place polyurethane insulation with an R-value\* of 12, which can improve your home's thermal efficiency, reduce street noise and make the door operate more quietly.

### Pinch-Resistant Door Panels

Door panels are engineered with pinch-resistant design to help prevent finger injuries while the door is closing.

**Three sections for 7' high doors** provide large steel embossments for a dramatic appearance.

\*Wayne Dalton uses a calculated door section R-value for our insulated doors.

### TorqueMaster® Plus

Wayne Dalton's exclusive counterbalance system safely and cleanly contains the springs inside a steel tube. TorqueMaster® Plus features anti-drop safety technology.

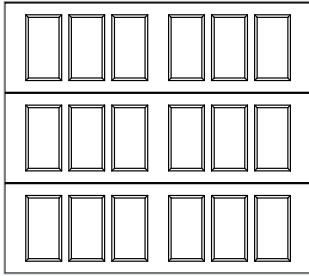

### WindSafe®

Model 9510 is available with optional hardware and reinforcements to comply with building codes in regions with high winds.

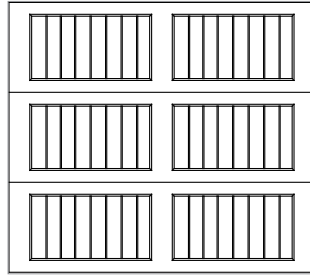

### TruChoice® Color System

Model 9510 is available with the TruChoice® Color System, Wayne Dalton's custom painting process that offers more than 6,000 colors. See dealer for details.

## 1 Choose Your Style
